Philosophy

**Our cars are state of the art.
And made to measure.**

Exclusivity. Individuality. Craftsmanship. Concepts which have always been associated with Porsche.

Porsche Exclusive stands for the individual customisation of your vehicle, direct from the factory. You tell us what you want and we will do our utmost to give it to you – provided, of course, that it is technically feasible and does not compromise quality. The possibilities are as wide-ranging as your imagination.

When customising a car, it is not enough just to use the best available materials. Our overriding principle has always been to make full use of the traditional skills of our craftsmen, carrying out the work by hand where necessary. Our specialists also have long years of experience in the hand crafting of decorative hardwoods or lightweight, highly durable carbon, enabling us to bring out the individual character of these superb materials.

Personalised refinements to the interior and exterior are not the only options we offer. If you would like to make your Cayenne a little sportier, for example with the sports exhaust system, you can rest assured that your Porsche is in good hands.

Material composition: leather, carbon and painted exterior finish

Exclusive examples

Vehicle: Porsche.

Details: Porsche Exclusive.

A Porsche is more than just a car. It is also an expression of the personal freedom, taste and lifestyle of its driver.

Porsche Exclusive offers you a wide range of individual extras so you can customise your car to your own unique requirements. Visual and technical enhancements for the interior and exterior. And always just as you want them.

The most important extra, though, is time. For it is only by taking the utmost care during the consultancy, planning and processing phases that it is possible to create something really special. Something which is exactly tailor-made to your requirements – down to the finest detail. Something unique. With its own unique character. A Porsche which is as special as its driver.

The following pages will show you two examples of Exclusive personalisations – be inspired! The captions under each picture describe the Exclusive options illustrated.

Colours and materials

**Exceptional, extravagant,
exquisite, excellent, exact.**

In a word: Exclusive.

We can offer an exclusive range of colours and materials for you to choose from when designing your new Porsche. Selected Exclusive options are, for example, available in leather, a natural material that can be dyed a variety of colours, enabling you to create attractive contrasts inside your Cayenne.

In addition to leather, we offer fine woods¹⁾ and carbon to enhance the interior. You can find out what is possible at your Porsche Centre. Or contact the Porsche Exclusive Customer Centre in Zuffenhausen directly for an individual consultation (see page 28).

Selection of leather colours: Speed Yellow, Steel Grey, Flamenco Red, Havana

Leather

Leather is a traditional natural material – a true classic. Items made of leather are both timeless and hardwearing.

Walnut¹⁾

A classic, high-quality dark wood with a unique and appealing grain.

Anthracite birch¹⁾

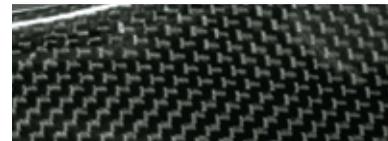

This anthracite-coloured birchwood has an attractive wavy grain, an impressive dual-tone effect and a silky sheen.

Natural olive¹⁾

A high-quality ash wood with an olive grain and a silky matt sheen, giving a combination of elegance, individuality and luxury.

Carbon

Carbon is a light but highly durable material which has its origins in motor racing. Its high-tech look gives a sporty feel to the interior.

¹⁾Since wood is a natural product, there may be variations in colour and grain.

To prove something to yourself, sometimes you need only follow your own dreams.

In 2009, with the 911 Sport Classic, we proved what we stand for: making dreams into reality. Dreams of design, performance, style and exclusivity.

The 911 Sport Classic may have been limited in quantity, but your dreams are not. This is why we aim to do whatever possible to fulfil your wishes. Make your Porsche Cayenne even more exclusive by having it personalised to your own requirements direct from the factory. Handcrafted with the utmost care, using the finest materials and with a passion for detail. In short, with expertise and genuine devotion.

Then there are the appealing extras as featured on the 911 Sport Classic, such as painted wheels. Or were you thinking of something else? Exterior options with a painted finish, for example, or the sports exhaust system, or the Porsche Crest embossed on the headrests? Almost anything is possible. This is the way in which unique cars continue to be made, and how dreams come true.
